For Immediate Release

Softlinx Becomes a GSA Contract Vendor with an Opportunity to Market Softlinx' Solutions to U.S. Government Organizations.

Westford, MA (October 27, 2005)—Softlinx, Inc. a minority owned business and industry leader in enterprise fax, e-document delivery and management solutions today announced that it has been awarded a contract by the General Services Administration (GSA) under the Federal Supply Schedule Program.

Softlinx products and services are used globally for mission critical integrated document management, fax server and e-mail management applications, automated application data delivery, and email storage optimization.

“With the inclusion of our products on the GSA schedule we can now serve our federal customers with a simplified ordering process,” said Dr. Hikyu Lee, President and CEO of Softlinx. “Over the years our Replix Fax, e-Document Delivery and Management solutions have been well received by government agencies. Now current customers and other state, local and federal agencies will have an easy way to access all of our solutions through the GSA online ordering system.”

Softlinx' GSA Schedule Contract Number is GS-35F-0043S. Softlinx was awarded four Special Item Numbers under the FSC Group 7030—IT Software category:

- 132-33 Perpetual Software Licenses
- 132-34 Software Maintenance
- 132-50 Training Courses
- 132-51 Information Technology Professional Services

About GSA

The GSA Schedules Program provides federal customers with millions of state-of-the-art, high-quality commercial supplies and services at volume discount pricing on a direct delivery basis. All customers, large or small, are provided the same services, convenience, and pricing. The Schedules Program also offers the benefits of shorter lead-times, lower administrative costs, and reduced inventories. See <http://www.gsa.gov> for more information.
