QAST Software Group in China Signs a Distribution Agreement to Resell ReplixFax

The Partnership allows QAST Software Group to distribute Softlinx' ReplixFax Fax Server and Software Solutions to China, Hong Kong, Singapore and Taiwan.

North Billerica, MA (July 22, 2009) – Softlinx, an industry leader in enterprise fax messaging, content management and electronic document delivery solutions, today announced the signing of a reseller agreement with QAST Software Group, one of the largest software distribution companies in China with offices in mainland China, Hong Kong, Taiwan and Singapore. Through this agreement, QAST will resell and support Softlinx' enterprise fax server solution, ReplixFax fax server and software to its clients.

“Softlinx is pleased to partner with QAST Software Group,” said Frank Woo, COO of Softlinx. “With its expansive network of software distribution and support operation in key Asia region, QAST Software Group has an established reputation as a coveted software distribution partner for key Asian territory such as China and Hong Kong. We expect to grow this partnership to a mutually rewarding business relationship for the coming years.”

Softlinx' ReplixFax Enterprise Fax Messaging solution, selected by IBM and many other leading global organizations, has been providing reliable and high performance IP fax communications to meet their mission critical business communication needs.

About Softlinx

Softlinx is a leading provider of enterprise fax server, electronic document delivery and Oracle content management solutions for major corporations worldwide. Softlinx offers industry leading ReplixFax Fax over IP (FoIP) fax server and messaging gateway solutions. As an Oracle Advanced Partner, Softlinx develops, resells and provides professional services for Oracle Enterprise Content Management (ECM) solutions. Softlinx' fax automation and content management solutions deliver fast, quantifiable return-on-investment (ROI) to its customers by improving business efficiencies and reducing costs associated with manual inefficiencies of handling paper documents and unstructured content. Founded in 1993, Softlinx, Inc. is a privately held corporation headquartered in North Billerica, MA. For more information, visit www.softlinx.com.
