*For Immediate Release*

### **Axis Business Solutions, AT Solutions and GTFS-Clientsoft Join Softlinx Global Reseller Partner Network**

**North Billerica, MA (August 4, 2009)** – Softlinx, an industry leader in enterprise fax messaging, content management and electronic document delivery solutions, today announced that Axis Business Solutions in New Hampshire, US, AT Solutions in Brazil and GTFS-Clientsoft in UAE signed a reseller agreement to resell and support Softlinx' enterprise fax server solution, ReplixFax and content management software to its clients. Axis Business Solutions will provide ReplixFax Fax over IP (FoIP) solutions to its Voice over IP customers in New England region. GTFS-Clientsoft will provide ReplixFax fax server and software to its Notes/Domino users in Middle East region. AT Solutions will resell Oracle content management connectors.

“Softlinx is pleased to recruit outstanding channel partners to resell and support our products. Expanding our network of channel partners is a key to Softlinx success to reach prospects of Softlinx Fax over IP (FoIP) and content management solutions,” said Frank Woo, COO of Softlinx. “Both Axis Business Solutions and GTFS-Clientsoft are well suited to partner with us owing to their existing client base and experience with Fax over IP and IBM Lotus Notes/Domino. AT Solutions being a leading IT solutions provider in Brazil will also open new opportunities in that region.”

Softlinx' ReplixFax Enterprise Fax Messaging solution, selected by IBM and many other leading global organizations, has been providing reliable and high performance IP fax communications to meet their mission critical business communication needs.
